

NEW CAREER IN HUNGARY EUROPEAN ONLINE JOB DAY

22th NOVEMBER 2017

For one day, EURES brings together all those who are interested in working in Hungary and want to start a new career in the country. There are a lot of high quality and immediately available positions in IT, manufacturing, pharmaceutical and chemical industries as well as in service areas (Shared Service Centers, call centers), where international experience and language proficiency are considered as extraordinary valuable. The focus of the event is on employers based in Hungary.

The **New Career in Hungary** European Online Job Day on the 22th November 2017, from 10 am to 4 pm, (on the European Online Job Days website) offers new and challenging opportunities and the possibility of meeting Hungarian companies and their prospective career opportunities.

WHAT WE OFFER FOR JOBSEEKERS:

- high quality positions for IT professionals, programmers, engineers, manufacturing, pharmaceutical and chemical professionals and young people;
- getting acquainted with Hungarian companies, online interviews and networking.

WHAT WE OFFER FOR EMPLOYERS:

- company introduction, employer brand, promotion of available positions and career opportunities;
- easy access to and selection of trained and experienced workers;
- networking with potential candidates, pre-selection and interviewing.

During the online event EURES advisers will provide information and advice on topics like labour market, living and working conditions and practical information for taking up a position in Hungary and for a successful start.

Participation is **free of charge** for both employees and employers.

The **New Career in Hungary** European Online Job Day will take place at www.europeanjobdays.eu
